G.O.Ms.No.2639 Development dated 16th June 1944
G.O.Ms.No.2002 Development, dated 11th April 1949
From the Director of Agriculture No.Lrs.A.2-2000/48, dated 26th February 1949 and 12th May 1949.

O R D E R:

In G.O.No. No.2639 Development, dated 16th June 1944, the Government sanctioned time scales of pay for the Upper Subordinates in the Agricultural Department with effect from the 1st July 1944 in lieu of the graded system of pay which had existed previously. In order to give relief to some of the Upper Subordinates who had been stagnating in the top of the grade for a number of years, it was ordered in G.O. Ms.No.862 Development dated 5th March 1945, that these Upper Subordinates should be granted advance increments for every 3 years of stagnation and for the balance, if any, if not less than 2 years, at the top of a grade. During the general revision of the scales of pay sanctioned in G.O.No.78 Finance dated 6th February 1947, a scale of pay of Rs.100-5-140 E.B. 10-220 has been brought into force for the Upper Subordinates with effect from 1-1-1947. It was further ordered in G.O.No.5257 Development dated 13th November 1947 that for the grant of advance increments under rule 9(c) of the Madras Revised Scales of Pay Rules, 1947, the advance increments granted under G.O.No.862 Development dated 5th March 1945 be ignored and that the service of a subordinate in the particular grade, put in prior to the introduction in 1944 of the running scale of pay be taken into account.

2. The Director of Agriculture has brought to the notice of the Government that in the 8 cases of Upper Subordinates specified in column (1) of the statement below, they were promoted from Grade V to Grade IV after a long period of stagnation at the top of the lower grade, i.e. Grade V and that the application of the concession granted in G.O.No.862 Development dated 5th March 1945 resulted in anomolies in that, their pay on 1st July 1944 came to be fixed at less amount than the pay of their juniors who had been still then stagnating in the same grade, i.e. grade V. He has therefore recommended that the pay of these subordinates may be raised on a par with their juniors as specified in col. (4) of the statement.

3. The Government have examined the cases and consider that the anamoly pointed out by the Director xx of Agriculture should be rectified. His Excellency the Governor of Madras accordingly directs that the pay of the eight Upper Subordinates specified in column (1) of the above statement be re-fixed at the amounts specified in Column (4) of the statement with effect from 1st July 1944 but without any claim for arrears of pay being entertained before the date of this Order.
